# HUNTING UPDATE

## ROGER KAHN, M.D. OUR STATE SENATOR

ADDRESS: P.O. Box 30036  
Lansing, MI 48909-7536

PHONE: (517) 373.1760

TOLL-FREE: (866) 305.2132

FAX: (517) 373.3487

E-MAIL: [senrkahn@senate.michigan.gov](mailto:senrkahn@senate.michigan.gov)

WEBSITE: [www.SenatorRogerKahn.com](http://www.SenatorRogerKahn.com)

Dear Fellow Sportsman,

As the days get shorter, countless sportsmen and women across Michigan begin planning a fall hunting trip! Along with a legislative report, this newsletter provides safety tips, hunting resources and more. I hope you find it informative.

Statewide, hunting and fishing are multi-billion dollar industries. Here in Saginaw and Gratiot counties, these outdoor pursuits are enjoyed by thousands of sportsmen and women.

As always, I welcome your comments and suggestions on ways to preserve Michigan's outdoor heritage and look forward to hearing from you. Best wishes for a safe and successful hunting season!

Sincerely,

A handwritten signature of Roger Kahn in dark ink.

**Roger Kahn, M.D.**  
State Senator  
32nd District

**"Statewide, hunting and fishing are multi-billion dollar industries. Here in Saginaw and Gratiot counties, these outdoor pursuits are enjoyed by thousands of sportsmen and women."**

**Senator Roger Kahn, M.D.**

# SENATE COMMITTEE HEARS CONCERNS ABOUT NEW DISEASE

Earlier this year, state officials confirmed an outbreak of pseudorabies virus (PRV) in sport swine on several Michigan hunting ranches in a presentation before the Senate Committee on Agriculture. To date, the virus has only been found in sport and feral swine, but threatens the \$500 million commercial swine industry.

Hunters should know that the disease can also affect deer, and cause sudden death in dogs. Humans are not affected.

The state is taking steps to help keep PRV from spreading and becoming a major problem like bovine TB, including:

- **Barring the import of swine for hunting purposes;**
- **Encouraging the shooting of feral swine; and**
- **Quarantining game ranches that have sport swine.**

Find information on shooting feral, or wild swine, at [www.michigan.gov/dnr](http://www.michigan.gov/dnr).

## DEER HUNTING UPDATE

### A LOOK AT LAST YEAR

Deer hunters had another good year in 2007! An estimated 683,000 hunters spent 19.7 million days in the field. Those hunters harvested nearly 484,000 deer, an increase of about 6 percent from the number taken in 2006. Statewide, 48 percent or nearly half of hunters harvested a deer. About 16 percent of deer hunters harvested two or more deer.

Check out these statistics and more in the 2007 Deer Harvest Survey Report. Access it at [www.michigan.gov/dnr](http://www.michigan.gov/dnr).

(Click on **Hunting** on the left sidebar, then **White-Tailed Deer** in the **Game Species** box).

### A LOOK AHEAD – 2008 SEASONS

- **YOUTH AND 100-PERCENT DISABLED VETERANS DEER HUNT:**  
2-day hunt starting 4th Saturday in September (Sept. 27-28, 2008)
- **ARCHERY SEASON:**  
Oct. 1 - Nov. 14, 2008 &  
Dec. 1, 2008 - Jan. 1, 2009
- **REGULAR FIREARM SEASON:**  
Nov. 15-30, 2008
- **MUZZLELOADING SEASON:**  
**Zone 1 (UP):** 10 days starting 1st Friday in December (Dec. 5-14, 2008)  
**Zone 2 (NLP):** 10 days starting 2nd Friday in December (Dec. 12-21, 2008)  
**Zone 3 (SLP):** 17 days starting 1st Friday in December (Dec. 5-21, 2008)
- **LATE FIREARM SEASON:** *(antlerless deer on private land only in Open DMUs)*  
Dec. 22, 2008 - Jan. 1, 2009

CLIP & SAVE

# SENATOR KAHN: OUR HUNTING HERITAGE – PASS IT ON!

The median age of Michigan hunters has increased steadily since the early 1970s. As fewer young people take up the sport, they remain more important than ever in keeping Michigan's hunting heritage alive.

Two years ago, the Legislature passed youth and apprentice hunting legislation, yet many people are unaware of the new laws.

The legal age to hunt deer, elk and bear with a firearm has been lowered from 14 to 12, and for small game from 12 to 10. Young hunters must be accompanied by a parent or guardian and are required to successfully complete a hunter safety course before being licensed.

Many families look forward to the Youth Firearm Deer Hunting weekend, held September 27-28 this year. Last year, over 31,000 young hunters took part in this weekend event. **Be sure and check the 2008 Hunting and Trapping Guide or visit [www.michigan.gov/dnr](http://www.michigan.gov/dnr) for detailed information, including age restrictions, licenses and special rules.**

A person can also "try out the sport" by buying an apprentice hunting license for two years before having to pass a hunter safety course. Apprentices must be supervised by a fully-licensed, experienced hunter. It's a great way to introduce people of all ages to the sport!

## POACHERS BEWARE!

Michigan is a member of the "Interstate Wildlife Violator Compact," an agreement in which participating states share information about fish and game violators and honor each other's decision to deny licenses and permits.

If your hunting, fishing or trapping license is revoked in Michigan, you will lose your privileges in Arizona, California, Colorado, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Maryland, Minnesota, Missouri, Montana, Nevada, New Mexico, New York, North Dakota, Oregon, South Dakota, Tennessee, Utah, Washington and Wyoming.

Failure to comply with the terms of a wildlife-related citation may result in license suspension in participating states.

## SENATOR KAHN OFFERS HUNTING SAFETY TIPS

Firearm hunting safety in 2007 showed a small improvement from the previous year.

Many injuries were due to the careless handling of a firearm and were entirely preventable. Before heading outdoors, remember to hunt with safety in mind, and follow these basic gun safety rules:

- **Always have complete control of your firearm.**
- **Always treat your firearm as if it was loaded.**
- **Before firing, know your target and what is beyond.**
- **Be sure the gun is safe to operate and use only the correct ammunition.**
- **Unload your firearm when not in use, especially before putting it in your vehicle or camp.**
- **And, NEVER mix hunting and alcohol.**

The DNR reported four fatal tree stand falls in 2007, so exercise caution when hunting from a tree. Hunting is a safe outdoor sport, but that doesn't happen by accident.

### Senate bill leads to special deer hunt for disabled vets

**T**here's a new addition to the deer season calendar this year! A hunt for 100-percent disabled veterans will be held in conjunction with the youth firearm deer weekend, September 27-28.

Under Public Act 60 of 2007 (SB 633), this special weekend event is designed to help disabled veterans participate in outdoor activities, like hunting, that they may have enjoyed previously but need assistance to continue. Those who have become permanently disabled while protecting our country have made an incredible sacrifice. This new law is one small way to thank them for their service.

Last year's pilot event was such a success that the Natural Resources Commission expanded it across the state.

### Kahn supports update in off-road vehicle (ORV) law

Many sportsmen are ORV enthusiasts. The Legislature recently took action that could open more county road shoulders to ORV use in most northern lower Michigan and U.P. counties.

Under Public Act 240, local jurisdictions in Mason, Lake, Osceola, Clare, Gladwin, Arenac and Bay, and any county to the north of these counties, can pass ordinances to allow ORV operation on the extreme right of county roads. (Huron, Midland and Isabella counties are not included.)

This is the first major revision to Michigan's ORV law in 25 years. Find out about all the new provisions in the law at [www.michiganlegislature.org](http://www.michiganlegislature.org).
